Ideal for knock down and preventing foam

REVERSE™

ANTIFOAMING AND DEFOAMING AGENT

PRINCIPAL FUNCTIONING AGENTS

Dimethylpolysiloxane, silicon dioxide.....	10%
Constituents Ineffective As Spray Adjuvants.....	90%
TOTAL	100%

CA Reg. No. 52467-50021-AA / WA Reg. No. 52467-12006

KEEP OUT OF REACH OF CHILDREN CAUTION

PRECAUTIONARY STATEMENTS

Harmful if inhaled. Avoid breathing spray mist. Remove and wash contaminated clothing before reuse. Avoid contact with skin, eyes or clothing. Do not take internally. Do not eat, drink, smoke or chew gum while using this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. In addition, follow precautionary statements on all products used with this material. Clean affected clothing, shoes, and protective equipment before reuse.

Personal Protective Equipment: Wear chemical-resistant eyewear and gloves, long-sleeve shirt and pants and shoes and socks.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

GENERAL INFORMATION

REVERSE™ is a water-based, silicone emulsion, antifoam and defoamer that can be used to prevent foam formation or knock down existing foam. Use rates for **REVERSE™** depend directly on temperature, composition, viscosity, agitation and other conditions. Therefore, rates may require adjustment for the most effective dosage.

- Reduces mixing time
- Maximizes spray tank capacity
- Safe to add to any tank mix

Ideal For:

- Herbicides and other pesticides known to cause excessive foaming
- Mixtures that include nonionic surfactants
- Application equipment that continuously agitates spray solution

DIRECTIONS FOR USE NOT FOR AQUATIC USE

Defoaming: Squirt it directly on foam that has already formed. Stop agitation then add enough **REVERSE™** to get rid of foam.

Antifoaming: Add **REVERSE™** after the first ingredient. Do not add to dry tank or before the addition of water.

Some tank mix partners create more foam than others. For ingredients that cause a lot of foam to form up to 2 ounces per 100 gallons may be required to adequately control foam. Other factors such as temperature and amount of agitation will increase or decrease the amount of control needed.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product.

DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

Shake well before using. If product freezes, allow to thaw, then shake well. For optimal storage, store between 40° and 90°F.

WARRANTY STATEMENT: EXACTO®. INC. (Exacto) represents and warrants that its products are manufactured in accordance with the product's specifications and that its products, at the time of delivery to the purchaser, shall be free from all material defects. EXACTO MAKES NO WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, CONCERNING THE PRODUCT, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED. FURTHER, IT IS UNDERSTOOD AND AGREED THAT EXACTO'S LIABILITY SHALL NOT EXCEED THE RETURN OF THE AMOUNT OF THE PURCHASE PRICE PAID BY PURCHASER AND UNDER NO CIRCUMSTANCES SHALL EXACTO BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES.
